HELPFUL INFORMATION

- **Late payments and partial payments** will be accepted with the understanding that any unpaid balance or full payment received after the installment due dates, will incur a state imposed 1.5% penalty per month (partial months count as whole months). Unpaid taxes will be offered at Grundy County's annual tax lien sale.
- **This is the only tax bill you will receive.** This bill includes a separate payment coupon for each installment. When paying the full amount, the payment must be received on or before the first installment due date. Failure to receive a tax bill does not relieve the taxpayer of penalty if payment is late. If your mortgage company is to pay the bill, it is your responsibility to forward this bill to them for payment.
- **If you have sold this property,** please mail this bill to the new owner. If it remains unpaid, you (as owner of record) will be notified and published as delinquent. You should also contact the Grundy County Assessor to verify that the records have been changed for future billings.
- Payment returned to us by your financial provider marked as UNPAID, for any reason will be subject to a \$25.00 return item fee in addition to the state imposed late fee of 1.5%
- October 1st payments must be in the form of cash, cashier's check or money order - NO personal checks or business checks will be accepted after October 1st.
- October add \$10.00 delinquent notice fee.
- Prior unredeemed tax liens may be paid by the "tax buyer" as an additional tax lien once taxes are considered delinquent or buyer has applied for court deed.

Contact the Grundy County Assessor's office at 815-941-3269 for:

- Address corrections or changes
- Assessed valuation questions
- Incorrect or omitted exemptions
